

FISCAL NOTE

SB 35

January 29, 2007

SUMMARY OF BILL: Requires a school principal to contact the parent or guardian of a student before making the student available for questioning by a peace officer, including a school resource officer. Requires school officials to permit a parent or other designated school official to be present during the questioning of the student if the parent or student so requests.

ESTIMATED FISCAL IMPACT:

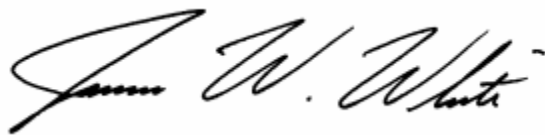

Increase Local Govt. Expenditures – Not Significant

Assumptions:

- Current law does not require school officials to obtain consent from a parent or contact them prior to making a student available for questioning by a peace officer.
- Any cost associated with the notification of parents regarding the questioning of a child is estimated to be not significant and can be handled within budgetary resources of the LEA.
